Maria FEDOROVA

UI/UX DESIGNER

Hello, I am Maria

An experienced UI/UX designer, with a keep focus on interaction design, animation, and cognitive user psychology. My enthusiasm for design stems from its ability to bring together both my analytical and creative sides. I derive equal satisfaction from engaging in UX research as well as creating wireframes, prototypes, UI mockups, and graphical content. Additionally, I have some technical experience.
I believe that good design has the power to enhance people's lives.
More then 9 years in IT projects. More then 4 years in Design specifically.
